Ref: 6971536927106

USB-C to Lightning LED cable Budi, 20W, 1.5m (black)

Budi 229TL iPhone cable is a reliable choice for those who appreciate fast and efficient charging. Made of zinc alloy, it ensures durability and resistance to damage, and the 1.5-meter length allows you to use your device freely while charging. With Budi, nothing will limit you!

Great power

Budi 229TL is an iPhone cable that stands out for its high power, with up to 100 watts. Designed with the highest quality materials, it ensures fast and efficient charging, whether you use it at home, in the office or on the go. Budi will meet all your expectations!

Thoughtful design

The 229TL is made of zinc alloy, which ensures its durability and resistance to damage. Its sturdy construction guarantees that it will serve for a long time, even with intensive use. Its length is 1.5 meters, which provides great flexibility when charging. This is enough length to allow you to freely use your iPhone, regardless of the location of the outlet.
