

Outdoor Wi-Fi Camera IMOU Knight IPC-F88FIP-V2, 4K

Ref: 6971927232246

Outdoor Wi-Fi Camera IMOU Knight IPC-F88FIP-V2, 4K

Outdoor Wi-Fi Camera IMOU Knight IPC-F88FIP-V2, 4K

The IMOU Knight outdoor camera will allow you to take care of the security of your home. The device provides 4K UHD video and offers a choice of 2.8mm / 3.6mm lens. What's more, it supports night mode and detects people in real time. It has IP66 weatherproof class and uses a 110 dB loud alarm to effectively deter an intruder.

Two-way audio

The device is equipped with a speaker and microphone, allowing you to communicate with others. Do you want to give the courier a message, reassure your pet, or perhaps scare off a burglar? With IMOU Knight it is possible. Now you can talk to others no matter where you are.

High image quality day and night

The IMOU Knight outdoor camera provides clear and crisp images no matter what time of day it is. It offers 4K UHD quality and prevents overexposure with HDR. What's more, it supports night mode, so you can monitor the situation around your home around the clock.

More possibilities with the app

Download the IMOU app and enjoy additional features. From its level, you can control what is happening in front of your home, no matter

where you are. It provides real-time viewing and will immediately inform you if the camera detects movement on your property. In addition, you can designate the detection area. In addition, you don't have to worry about false alarms.

2 ways to save recordings

Have access to important recordings at all times. The camera is equipped with a memory card slot with a maximum capacity of 256GB. In addition, the IMOU cloud is also available, which allows you to review footage at any time - in this case, an Internet connection is required.
