Cable type-C to type-C, Budi 220TT15, 100W, 1.5m, (black)

USB-C to USB-C cable, Budi 100W 1.5m

Budi cable is distinguished by its USB-C to USB-C interface, so it will work with all kinds of devices. What's more, it supports the PD 100W protocol, which translates into fast charging - no more waiting indefinitely for your equipment to be ready to continue working. In turn, the aluminum finish and nylon braid ensure durability and resistance to wear and tear.
