Wall charger with light Budi 326DE, 2xUSB-C, 40W, (white)

Charger with light, Budi 2xUSB-C 40W

Budi's power charger supports the fast charging protocol and offers 2 USB-C ports, so you can quickly renew your equipment's power and save time. What's more, it's equipped with a lamp that generates an optimal amount of light. In turn, the compact, foldable design makes the charger successful in taking it on the go.

Fast charging

No longer do you have to wait indefinitely for your equipment to be ready for further use. The PD40W's fast charging protocol allows you to charge your iPhone 8 (or newer) in about 30 minutes to 50%. What's more, with 2 USB-C ports, you can connect 2 devices to it simultaneously.

LED light

The charger is also equipped with an LED light, which generates a soft light and will make it easier to move around the room when it's dark. What's more, it offers a special sensor so that it will turn on at dusk and turn off at dawn. It will work well in the hallway, bathroom, kitchen, children's room, etc.
