Powerbank Budi 10000mAh, 10W (black)

Powerbank 10000mAh/multifunctional box Budi, 20W (black)

Charge your devices quickly and conveniently. The Budi powerbank offers ports: USB-C and USB-A, as well as wireless charging, so you can connect as many as 3 devices to it simultaneously. In addition, it supports PD and QC fast charging protocols. Thanks to its clever design, you can lean your phone against the powerbank to comfortably charge your smartphone and watch a movie. In addition, you will find practical adapters and cables included.

### Fast charging

The powerbank is equipped with ports: USB-C and USB-A and offers inductive charging. So you can renew the energy of several devices at the same time in a short time. The product also supports PD 20W and QC3.0 18W fast charging protocols, so you don't have to wait too long for your equipment to be ready to continue working.

### Thoughtful design

Budi 515Q is more than just a powerbank. The product features a well-thought-out design and is equipped with a special stand against which you will rest your smartphone for convenient charging and watching videos or video calls. What's more, the powerbank also acts as a storage compartment for cables and adapters. You'll find a TF/SIM card removal key, USB-C to micro USB, USB-A to USB-C adapters, and USB-C to Lightning and USB-C to USB-C cables.
