

## Cable USB-C LDNIO LS592 lightning, 2.4 A, length: 2m

Cable USB-C LDNIO LS592 lightning, 2.4 A, length: 2m

Ref: 5905316144989

LDNIO LS592 USB-C cable, 2.4 A, length: 2m

With the LDNIO LS592 cable you can not only quickly charge your chosen devices, but also transfer the files you need. The product provides a current of up to 2.4 A and a transmission speed of about 480 Mbps. At the same time, it is extremely resistant to damage, and environmentally friendly materials have been used in its manufacture.

### Top quality workmanship

The cable is made of high-quality materials (for example, PVC), making it extremely durable and resistant to damage. It is not even intimidated by pulling and bending! In addition, its most sensitive components have received additional protection, and a smart chip is responsible for its reliable operation.

### Fast charging

Charge your devices much faster than with a regular cable. The LS592 provides an amperage of up to 2.4 A, so it can renew the energy of your smartphone or tablet in no time. No more long waits - save time with LDNIO!

### Instant file transfer

The LS592 cable allows you to charge your devices and transfer files at the same time. It offers transmission speeds of up to 480 Mbps,

which means that it doesn't take long to copy selected photos, documents, music or videos. It's an ideal option for graphic designers, photographers, web developers and more!
