

Soundbar Remax Titan RTS-50, 30W, LED (black)

Soundbar Remax Titan RTS-50, 30W, LED (black)

Ref: 6954851201786

Remax Titan soundbar

With clear 360° surround sound, the Remax Titan soundbar provides a stunning listening experience. High-quality drivers with a total power of 30 watts guarantee realistic sound. The device also supports Bluetooth 5.3 technology, and with its LED backlighting it brings a modern touch. Now you can easily transform your room into a concert hall!

Create a home entertainment zone

The Remax Titan soundbar will make you feel like a movie hero in your own room. The device is equipped with high-quality drivers - each with 15 watts of power. What's more, it supports surround sound technology, which allows you to get the feeling as if sound surrounds the listener from all sides. Open yourself up to an even better experience and a unique experience and enjoy the perfect harmony of treble and bass, as well as powerful bass.

Bluetooth 5.3

Say goodbye to transmission problems. Remax Titan supports the latest Bluetooth 5.3 technology, which provides a stable and smooth connection within a range of up to 10 meters. In addition, the soundbar remembers the last paired device and automatically connects to it. So you'll be able to enjoy your favorite tunes without unnecessary downtime or audio interruptions.

Lighting effects

Remax provides stunning sound and original visual effects in one. The Titan soundbar offers up to eight lighting effects that you can freely choose between. Now you can easily customize the look of the device to your liking and bring a modern touch to any room.
