Dudao X10Pro wired in-ear headphones (black)

The Dudao X10Pro are wired in-ear headphones that are designed for true music lovers. They feature impressive sound quality and solid build quality. Combining unparalleled technical performance with an aesthetically pleasing design, these headphones guarantee the ultimate listening experience. Experience the possibilities offered by the Dudao X10Pro!

Superb quality

The Dudao X10Pro headphones are a unique model that offers the perfect combination of functionality and aesthetics. They are made of TPE material for strength and flexibility, guaranteeing long-lasting use. The cable length is 1.2m, giving the user freedom of movement, and the 3.5mm mini jack connector allows connection to a wide range of devices.

Excellent sound quality

The headphones provide a frequency range of 20 Hz to 20 kHz, which guarantees balanced sound with high dynamics. An impedance of  $32\Omega \pm 20\%$  at 1kHz and a sensitivity of  $111 \pm 3\text{dB}$  ensure high sound quality, even with loud listening. The X10Pro from Dudao will deliver a full, detailed and clear sound that will satisfy even the most demanding music lovers.
