

Wireless induction charger Dudao A12Pro, 15W (white)

Ref: 6973687240967

Wireless induction charger Dudao A12Pro, 15W (white)

Wireless induction charger Dudao A12Pro, 15W (white)

Conveniently charge your devices wirelessly. The Dudao A12Pro Induction Charger features wide compatibility and provides up to 15W of power. It is equipped with strong magnets and allows you to freely use your devices while charging. It also features a sleek, minimalist design.

Power of up to 15 W

Charge your devices in even less time. The charger provides up to 15 W of power, which means your smartphone or headphones can be up and running in no time. The product is compatible with a variety of devices, including the iPhone 12 series and AirPods.

Comfort and safety of use

Thanks to the strong magnets, you don't have to worry about your smartphone falling off the charger. You can also use your phone comfortably while charging. At the same time, the product is very durable and resistant to damage. It has also been protected against overloading, overheating and short circuit. So it will serve you perfectly for a long time!
