Car charger Dudao R4+, 2xUSB, 120W (black)

Dudao R4+ is a practical car charger that allows you to charge 2 devices at the same time. It is distinguished by a maximum power of as much as 120W, so it can quickly charge smartphones, tablets or headphones. It is also very durable and looks great - the metal casing gives it a modern, elegant character.

Even faster charging

Going on vacation by car? Charge your devices before you get there! The Dudao R4+ charger provides up to 120W and up to 3A of power, which means the equipment you charge with it will be ready for use in no time. What's more, the 2 available USB-A ports allow you to charge 2 devices simultaneously. So you can, for example, connect your phone and your passenger's phone to the charger!

Improved design

Thanks to the rapid heat dissipation system, the charger is effectively protected from overheating. The product is also protected against short circuit. So you don't have to worry about its rapid damage! In addition, the well-thought-out design ensures that the charger stably stays in place - even when driving on a bumpy road.
