

Filter HEPA for Deerma VX910W

Filter HEPA for Deerma VX910W

Ref: 6955578042430

HEPA Filter for Deerma VX910W

This set includes a HEPA filter that fits perfectly with the Deerma VX910W upright vacuum cleaner. It effectively filters out impurities and prevents them from returning back into the room's air. To maintain the highest efficiency, the filter should be replaced regularly.
