Ref: 6950676279771

The Havit MS951GT Wireless Mouse (white)

If you need an ergonomic mouse for everyday use, the Havit MS951GT is sure to appeal to you. It provides smooth operation for up to 10 meters thanks to its 2.4 GHz connection and offers adjustable resolution up to 1600 DPI. In addition, the life of the buttons reaches 3 million clicks, which translates into a durable product. In turn, the included mini receiver and plug&play system will allow you to quickly prepare the mouse for work.

Universal

The mouse provides comfort of use thanks to its ergonomic design, both right- and left-handed users can use it. In addition, the resolution in the range of 1000-1200-1600 DPI allows you to customize the operation of the device. In addition, you can store the mini receiver in a dedicated place on the bottom of the mouse for convenient transportation of the MS951GT.
