Ref: 6971536923009

Universal Wall Charger Budi 328E USB + USB-C, 18W + EU/UK/US Adapters (white)

Budi 328E Universal Wall Charger, USB + USB-C, 18W + EU/UK/US Adapters (White)

The Budi 328E network charger offers USB-A and USB-C ports, so you can connect 2 devices to it simultaneously. What's more, it supports PD 20W and QC3.0 18W fast charging protocols and adjusts the amperage according to the equipment being charged. Moreover, it protects against overvoltage and short circuit, so you can use it safely. In addition, you can fold the plug at any time for convenient storage and transportation.
