Storage Bag Sunnylife for DJI Avata Explorer/ Pro-View Combo

Sunnylife bag for DJI Avata Explorer/ Pro-View Combo

Want to keep your DJI Avata and its accessories safe? Opt for the Sunnylife! The Sunnylife bag will hold both your drone, goggles, and essential accessories. The large mesh compartment will help keep things organized, and the sturdy construction will reliably protect your equipment from damage. Thanks to the convenient handle and adjustable shoulder strap, transportation will be extremely easy and comfortable.

Large capacity

Store everything in one place! Sunnylife bag will delight you with its large capacity. You will easily fit in it not only your DJI Avata drone, but also all the necessary accessories. You will successfully stow cables, spare batteries, Motion 2 controller /1 or DJI Integra /Goggles 2 / FPV Goggles V2 in it. Now you will have everything at your fingertips!

With attention to detail

The bag was made with the utmost care. The specially designed compartments inside are perfectly adapted to the individual accessories. In addition, the bag is very soft and resistant to shocks and scratches, providing extra protection for your equipment. You no longer need to worry about the safety of your DJI Avat and accessories - from now on, everything will be properly protected!
