

Insta360 Link Recognition Marker

Insta360 Link Recognition Marker

Ref: 6970357854127

Insta360 Link recognition marker

From now on, conducting remote lessons will be easier than ever before. Recognition markers help the Link Insta360 webcam identify the whiteboard in Blackboard mode, which will improve the visibility of class participants when presenting content. All you have to do is place the markers in each corner of the whiteboard! What's more, you can reuse them again and again without any problems.
