Niimbot T15-7.5 Thermal Stickers (White)

T15-7.5 stickers are paper designed for Niimbot H15 thermal printer. Refined from every angle, they will allow you to express your creativity while organizing the space around you. Thanks to their high durability and exceptional resistance to moisture, oils and scratches, you can use them without worry to label anything that falls into your hands - from jars of preserves to your children's notebooks.

Eco and safe for everyone

The Niimbot T15-7.5 thermal paper used for these stickers is not only environmentally friendly, but also safe to use. Whether it's labeling food products or organizing your workspace, you'll always be sure that you're using a product that is not only efficient, but also safe and responsible. As a result, your space will not only be tidy, but also healthy and environmentally friendly.
