Foneng Cable USB to Micro, X86 elastic 3A, 1.2m (white)

Foneng X86 3A USB to Micro USB Cable, 1.2m (white)
Foneng X86 allows you to quickly renew the energy of your devices, thanks to its 3A intensity. Moreover, the use of copper is responsible for stable and safe charging. It has USB and Micro USB connectors, and its length is 1.2m. In addition, it was created from TPE plastic, which translates into resistance to high temperatures and tangling.
