

Car Charger Joyroom JR-CL10, 2x USB, 4.8A (black)

Car Charger Joyroom JR-CL10, 2x USB, 4.8A (black)

Ref: 6941237177537

Joyroom JR-CL10 car charger, 2x USB, 4.8A (black)

Are you facing a long car trip? This practical accessory will provide power to your devices, so you don't have to give up your music or navigation to save your battery. Two USB ports guarantee fast charging of two devices simultaneously. The charger is distinguished by its wide compatibility and robust design with a range of safety features, ensuring the complete safety of your equipment.

Safety is the key

The charger is distinguished by its robust construction in aluminum alloy and fireproof PC. It features an intelligent chip that recognizes connected devices, automatically adjusting the charging current to them. This means you don't have to worry about common electrical hazards - overcharging, overvoltage, short-circuit, etc. don't threaten your equipment when you use Joyroom!

Dual charging

Joyroom JR-CL10 offers 2 ports of 2.4 A fast charging. You can charge two devices at the same time without any trouble - for example, your phone and your kid's console. It won't take long to replenish energy.

Atmospheric LED backlighting

Traveling at night? Joyroom has made sure that finding the charging port is not a challenge. The product features colorful, atmospheric

LED backlighting, so you don't have to plug in your devices in the dark anymore! In addition, the soft light will create a pleasant atmosphere in your car.

Wide compatibility

The charger will adapt to your needs. It will work great in the DC port of all kinds of vehicles. It supports 12-24V voltage and automatically adjusts the charging power, ensuring wide compatibility with different kinds of devices.
