USB to USB-C rotating cable Dudao L24AC 120W 1m (orange)

Dudao L24AC 120W USB to USB-C cable, with swivel end, 1m (orange)

Need a new cable to charge your devices? The Dudao cable will be the perfect choice! It is characterized by high power and durability against wear and tear. This gives you the assurance that it will serve you for a long time! What's more, due to its thoughtful design, it will be very comfortable to use.

Comfort of use

L24AC cable was created with users in mind. With its help you will renew the energy of your devices in no time, as its maximum power reaches up to 120W. What's more, the length of its cable is 1m, so you can put your charged equipment wherever you want! L24AC is a USB to USB-C cable, which makes it ideal for most popular devices.

Thoughtful design

What sets the L24AC cable apart is its thoughtful design. It was created from the highest quality TPE material, so it demonstrates strength and resistance. In addition, its tip has the ability to bend 180°, making, for example, playing games while charging more comfortable.
