ND Filter Set Insta360 GO 3

Ref: 6972971863547

Insta360 GO 3 ND filter set

The ND filter set will help you get cinematic shots with balanced colors and contrast even on very bright days. Choose between ND8, ND16, ND32 and ND64, with up to 6 degrees of control over the amount of light reaching the sensor. The right filter gives you more control over shutter speed, allowing you to achieve interesting motion blur effects.

Durable construction and easy installation

Manufactured from extremely durable optical glass coated with 16 layers of scratch-resistant coating. Easy mounting is based on screwing in the filters which ensures that they are fixed securely.
