

3-in-1 wireless charger Acefast E3 7.5W, MagSafe (black)

3-in-1 wireless charger Acefast E3 7.5W, MagSafe (black)

Ref: 6974316280903

Acefast E3 7.5W 3-in-1 Wireless Charger, MagSafe (black)

Is your desk full of tangled charger cords? Change that with the Acefast wireless charger! It allows you to charge as many as 3 devices at the same time, saving you not only time, but also space. Made of durable materials, it will serve you for many years. What's more, its compact size and light weight, make it easy to transport and store.

Fast charging

The Acefast wireless charger is designed to charge your devices quickly, which is why it shows a power output of 7.5 watts. What's more, you can use it to charge as many as 3 devices simultaneously, including your phone, headphones and watch. This will not only save time, but also minimize the clutter on your desk.

Comfort of use

The Acefast device is distinguished by its thoughtful design, so it was created in high-quality materials, including ABS and PC. Its compact size (157 × 118 × 85 mm) and light weight (316 g) will make it fit perfectly into the space of any desk, and what's more, it is very easy to carry. For even more convenience, you can adjust the phone charging pad at a 45° angle.
