Rear Cam for Hikvision C8

Record images from the rear of your vehicle as well. This will give you useful evidence in case of a collision on the road or in a parking lot. It supports 1080p resolution and offers a 135° viewing angle. Equipped with a wide F2.0 aperture, it performs well in low-light conditions. The camera rotates 360°. It is also very easy to install - just attach it to the rear window of the vehicle. The product is compatible with Hikvision C8 video recorders.
