Memory card SANDISK ULTRA SDXC 64GB 140MB/s UHS-I Class 10 (SDSDUNB-064G-GN6IN)

Ref: 619659200176

Store and transfer data at incredible speeds

The SanDisk Ultra SDXC 64GB 140 MB/s UHS-I memory card delivers an incredible read speed of up to 140 MB/s, allowing you to quickly transfer files between devices. With a capacity of up to 64GB, you'll have plenty of room for your favorite videos and photos. High-performance video recording, thanks to UHS speed class 1 (U10) and class 10 for Full HD (1080p) video, ensures smooth and professional results. What's more, the card is fully compatible with SDHC and SDXC digital devices, ensuring versatile use.

Reliability in all conditions

The SanDisk Ultra memory card is designed with durability in mind. Resistant to shock, extreme temperatures, water and X-rays, it will stand by you even in the most extreme situations. You don't have to worry about losing data or damaging the card - you're fully protected.

Exceptional capacity for your creative conquests

Forget about problems with lack of space for your files! SanDisk's 64GB memory card gives you the freedom and convenience of storing lots of data. Capture fleeting moments in hundreds of photos and record long Full HD (1080p) videos without worrying about limitations. Do what you love and save every moment without compromise!
