Slow cooker Techwood TMJ-450

Ref: 3760196092902

4.5 liter capacity - Cook for the whole family!

Dreaming of convenient and delicious cooking for the whole family? The Techwood TMJ-450, a unique slow cooker with a capacity of 4.5 liters, will make your culinary dreams come true! Now preparing delicious dishes for your loved ones becomes child's play. You no longer have to worry about the capacity of the pots or the excess work in the kitchen. Thanks to the huge capacity of the Techwood TMJ-450 slow cooker, you can easily cook tasty dishes for a whole week. Prepare healthy stews, flavorful soups or juicy meats - all with ease and in one pot!

Innovative technology for better cooking results

The Techwood TMJ-450 isn't just about capacity, it's also about advanced technology that ensures the perfect taste and texture of your dishes. Thanks to the cooling steel walls, you will maintain the optimal cooking temperature, which guarantees even heat distribution. In addition, the slow cooker features four thermostat positions, from "Stop" to "Keep warm," allowing you to easily control and adjust the temperature to suit your specific dish. Discover a new dimension of cooking with the Techwood TMJ-450 and enjoy great flavors like never before!

Convenience and safety at the highest level

The Techwood TMJ-450 is not only an excellent cooker, but also safe and convenient to use. Equipped with a durable ceramic pot that

can be easily removed and cleaned after use. A glass lid protects the inside of the slow cooker, allowing you to control the cooking process without opening the lid. In addition, the slow cooker is equipped with non-slip feet and handles to ensure stability and safety during use. We are proud to present the Techwood TMJ-450 - an innovative, safe and elegant slow cooker that will make your cooking easier, making your food even tastier and healthier!
