Ideal for Gamers: ONIKUMA X26 Headphones

Are you an avid gamer looking for headphones that will elevate your gaming experience? Do you want headphones that will match the rest of your vibrant setup? Do quality and stylish design matter to you? The perfect option for you is the ONIKUMA X26 headphones - black as night with a glowing strip, a striking manufacturer logo, and side accents on both ear cups that will enhance your gaming fun! Equipped with a microphone and stereo spatial sound, the ONIKUMA X26 headphones will immerse you even further into the gaming world and let you communicate online with your team without any interruptions! Level up with ONIKUMA headphones!

Caring for Your Comfort

The ONIKUMA X26 headphones are designed to provide you with comfort even during extended use. Their large, comfortable ear cushions are covered with a skin-friendly material to avoid potential irritations or discomfort. The eco-leather cushions on both ear cups are designed to perfectly conform to your head shape. Additionally, they are easy to clean. The headphones also feature an adjustable headband, ensuring a fit for various needs.

Clear Conversations and Crisp Voice

The ONIKUMA X26 model comes equipped with a noise reduction microphone technology aimed at providing ease and convenience during conversations, laughter, chats with friends, and delivering clear and understandable sound. For your convenience, a switch for

toggling the microphone on the left ear cup and a volume control knob are placed - quick and intuitive!

Excellent Sound

ONIKUMA X26 delivers deep, clear, and rich stereo sound that will bring your heroes to life in a new quality! Watching movies, TV shows, or playing games will become even more enjoyable. The headphones themselves weigh only 356 grams, ensuring comfort even during prolonged use.

Create Atmosphere with Neon Colors

Tired of plain black headphones? Treat yourself and enjoy the ONIKUMA X26 headphones that shine with neon colors. They look even better at night when lights reflect off nearby surfaces, giving night-time gaming a unique atmosphere!

Fit for Every Situation

If you appreciate gadgets but gaming isn't your favorite activity, the ONIKUMA X26 headphones are definitely for you! Not only are they designed for gaming on computers, Nintendo Switch, Xbox, or PlayStation consoles, but they also enable you to watch movies, listen to music, and engage in conversations. With support for both Mini Jack and USB inputs, these headphones stand out with versatility, bringing joy to users with various interests, whether they are gaming enthusiasts, movie buffs, music lovers, or people who enjoy chatting with friends online!
