Show off your charm with ONIKUMA K9! (pink and blue)

The ONIKUMA K9 headphones are an adorable pink and blue accessory with adorable cat ears and a cat on the casing of both headphones, perfect for those looking to combine their love of music, games and cute aesthetics! Not only do they feature an adorable and unique design that perfectly reflects the personality of its wearer, but they also have excellent speakers that provide clear, high-quality sound, making both wearing and using them a pleasure!

Listen the way you like

The ability to personalize the sound according to your preferences is one of the advantages of these charming headphones - you can adjust the treble, bass and midrange frequencies to have even more fun. Fall in love with your favorite songs all over again! In addition, there is a panel on the cable of the headphones that allows you to conveniently adjust the volume and turn the microphone on and off. All this is combined with fantastic sound quality, contained in an adorable pink and blue glowing case!

Customize to fit you

Lots of customization options - that's what the ONIKUMA K9 headphones offer. One of them is the microphone, which can be completely retracted into the headphone housing so that it doesn't interfere with playtime, or can be partially retracted to be closer to the mouth of younger users. The eco-leather used on the earcups ensures that the earcups can be used for hours without discomfort - soft and

pleasant to the touch, it is skin-friendly. The adjustable headband allows you to adjust the distance between the headphones and adapt it to female users of different ages. What's more, the included cat ears can be removed and put on whenever you want!

#### Feel the childlike joy

The ONIKUMA K9 headphones feature a charming unique design - the pink and blue color, cat ears, luminous elements and the cat's likeness placed on both headphones express tenderness, girlishness, uniqueness and love for fun and animals! Show the world your charming personality today with the stylish design and the ability to change the color of the lights!

#### Ergonomics and durable design

Ease of cleaning is not the only advantage of these cat headphones! Another is the use of high-quality materials, which guarantee that they will give pleasure to their owner for a long time. Even twisting the headphones (to a reasonable degree) against each other will not deform them.

#### Versatility

The headphones can be used with various types of devices - Playstation 4 and Playstation 5 game consoles, Nintendo Switch, Xbox One, computers, laptops, tablets, Android and iOS devices. With ONIKUMA K9 you can play on any platform!
