Wireless headphones TWS ONIKUMA T35 Black

Ref: 6972470562019

The ONIKUMA T35 Bluetooth In-Ear Headphones (black).

The ONIKUMA T35 is a compact headphone equipped with an illuminated case that shimmers in RGB colors. Using the touch panels on the device, you can turn it on, pause and play music, skip between tracks, and answer and reject calls. The headphones' built-in microphone and smart noise cancellation feature ensures that your caller hears you clearly. The premium ceramic antenna that the headphones are equipped with gives you a stable connection to make using the headphones smooth and comfortable. The operating time of the headphones is up to 5h.

### Stylish design

The ONIKUMA T35 headphones are designed for people who like gadgets and good sound - the included charging case has decorative crack-shaped clearances that glow in RGB colors when the cover is opened. The lighting effects also serve to communicate with the user - when the headphones are charging, the case glows green and will turn off when they are charged. In turn, an LED flashes while the case is charging, resembling a heartbeat. When the case is fully charged, the light illuminates.

### Clear sound and calls

Thanks to the headphones' Bluetooth 5.1 and ceramic antenna, the connection between the headphones and the device they're paired with is stable so you can enjoy smooth, interference-free use. When you open the cover of the charging case, the left and right

headphones will be automatically turned on and paired - just search for the T36 headphones on your device and click on them. Thanks to the built-in microphone with intelligent noise cancellation, you can enjoy smooth conversations.

#### Long runtime

Play, listen to music, talk for up to five hours! With its built-in rechargeable battery, the ONIKUMA T35 lets you enjoy up to 5h of fun wherever you want. With an operating range of up to 10 meters, you can walk around the room while talking or listening to music, or leave the device out of reach and occupy your hands with something. The headphones are equipped with a USB-C port and have a charging time of up to 2 hours.

#### Ergonomic design

The ONIKUMA T35 headphones feature a minimalist and neat form factor and an ergonomic shape to make using them as pleasant as possible. The materials used make the device durable and easy to clean.
