The Tribit Bluetooth Shower Speaker AquaEase BTS11 (pink)

Do you like to listen to music while taking a bath? However, are you worried about splashing your speaker? With AquaEase BTS11 you don't have to worry about anything! It exhibits IPX7 water resistance, so you can easily use it in the comfort of your bathroom. What's more, it uses Bluetooth 5.3 technology, so you can enjoy a stable and fast connection. Enjoy pristine sound, enclosed in a palm-sized device!

Excellent sound quality

AquaEase BTS11 speaker is equipped with a 48-millimeter driver, which guarantees more power and better sound quality. From today your favorite songs will sound even better, because Tribit can be described in three words: clear, loud and balanced. This small piece of equipment will make each of your baths unforgettable moments of relaxation in the company of the best music.

Wireless pleasure

The Tribit uses Bluetooth 5.3 technology, which makes the connection stable, fast and reliable. No more struggling with tangled cables! What's more, this speaker is equipped with a microphone, so you can freely make phone calls even while taking a bath. You also have the option to connect 2 speakers for even better sound effects!

Long playback time

What sets the Tribit speaker apart is its long playback time. It is equipped with a 2200 mAh battery, which provides up to 18 hours of playback time! You don't have to worry about a sudden discharge of the device. What's more, a special light indicator will inform you about the working status of the device.

Even more possibilities

With Tribit you get even more possibilities! It exhibits IPX7 water resistance, so it can accompany you to any bath without any worries! You can also take it to the river or pool without worrying about damaging it. A stylish look is given to it by RGB lights, which you can turn on and off at will. In addition, the speaker is equipped with a watch, so you'll always have everything under control!

Comfort of use

AquaEase BTS11 was created with comfort in mind. Its dimensions are only 109.6 × 109.6 × 48.2 mm, making it the perfect companion for any trip! What's more, all the necessary control buttons are located at the top of the product, making it very easy to access. In addition, a dedicated Tribit app is also at your disposal, making it even easier to control the device.
