Silicone Cover & Strap Sunnlylife for Insta360 GO 3 - Black (IST-ZD588-B)

Sunnlylife silicone strap cover for Insta360 GO 3 - Black (IST-ZD588-B)

Want to make sure your Insta360 GO 3 camera is safe in all conditions? With Sunnlylife's strap-on silicone cover, you can make sure it's protected! It fits the device perfectly, and with an adjustment range of 128-225 mm, it will be very comfortable to use. What's more, it will provide you with the ability to create unforgettable shots, as you can mount it in many places such as your wrist, bike or drone!

Reliable protection

The Sunnlylife silicone strap cover was created with the Insta360 GO 3 camera in mind, and it exhibits scratch and dust resistance, and what's more, it prevents you from losing your device. This soft silicone cover and multifunctional strap will be a reliable protection for your device!

Multiple mounting options

You can attach the Sunnlylife cover to various places. The adjustable strap gives you the opportunity to mount it on your drone, wrist, backpack or bike, for example. It will be perfect for drones such as the Mini 3 Pro/Mini2/SE/Mavic Mini/Air 2S/ Mavic Air 2/ EVO Nano/Fimi X8 Mini. This makes it so you can always have the camera with you and record amazing shots while freeing your hands!

Thoughtful design

What makes the Sunnylife silicone cover stand out is its adjustable strap in the range of 128-225mm. What's more, it has special cutouts on the back for better heat dissipation, and its entire design was created to fit perfectly around the camera and not obstruct its most important components. In addition, it was created from high-quality silicone, so it is tear-resistant and not easily deformed. Enjoy comfortable use with Sunnylife!
