

Foneng Cable Type-C to Type C, X87 Zinc Alloy 60W

Ref: 6970462518778

Foneng Cable Type-C to Type C, X87 Zinc Alloy 60W

Foneng X87 USB-C/USB-C cable (60W)

The Foneng X87 cable is equipped with 2 USB-C connectors, making it widely compatible. Its power reaches up to 60 watts - so you can be sure that it will renew the energy of your devices in no time. It is made of high-quality materials, which translates into resistance to corrosion, cracking and high temperatures. The length of the cable is 120 cm. You will find Velcro included for easy storage.

Fast charging

No longer do you have to wait a long time for your phone to be charged and ready to continue working. The Foneng X87 cable offers an impressive power of up to 60 watts, so it will renew your smartphone's power in no time, saving you valuable time.

For the sake of safety

You don't have to worry about your phone overheating or overload damage. The Foneng X87 cable effectively prevents the aforementioned dangers, ensuring safe and efficient charging.

Durable construction

Among other things, the body is made of zinc alloy, so the cable not only looks elegant, but also conducts heat perfectly, which increases its lifespan. The X87 also exhibits resistance to wear and tear and cracking. As a result, it will serve you reliably for a long time.

Practical Velcro included

Say goodbye to the problem of tangled cables! Velcro is included, so you can easily roll up and store the cable, and keep your drawer tidy.
