

Wall Charger Choetech C0026, US plug, 3x USB-C with digital

Wall Charger Choetech C0026, US plug, 3x USB-C with digital display 15W (black)

Ref: 6971824972139

Choetech C0026 power charger, US plug, 3x USB-C with digital display 15W (black).

Choetech C0026 charger will allow you to charge up to 3 devices at the same time - it is equipped with 3 USB-C ports. It provides up to 15W of power, so you don't have to wait too long for your equipment to be ready for use. It is also distinguished by its durable design and wide compatibility. The product also has a built-in digital display that allows you to check charging parameters in real time. Note: the charger has a US type plug.

Charge 3 devices simultaneously

Want to charge more devices? Now you only need one charger! The C0026 offers up to 3 USB-A ports, so you can connect up to 3 devices to it at the same time. What's more, the charger is distinguished by its power output of about 15 watts and provides a total current of up to 3 A. In the case of one port, the current is up to 2.4 A.
