

Holder with mount PGYTECH for sports cameras (P-GM-137)

Ref: 6970801336452

Holder with mount PGYTECH for sports cameras (P-GM-137)

PGYTECH P-GM-137 sports camera and smartphone mount

With the PGYTECH camera mount you can create original shots while riding a bike or motorcycle. This practical accessory will easily mount on the handlebars of your unicycle, and thanks to 360° rotation you will gain complete freedom of recording. Made of durable materials - it will serve you for a long time.

Wide compatibility

The accessory is compatible with a multitude of devices. You can use it to mount DJI Osmo Action, Osmo Pocket, GoPro, INSTA 360 and even a regular smartphone, among others. No matter what equipment you use, the PGYTECH mount is sure to not let you down. What's more, you can mount it not only on the handlebar grips of your bike or motorcycle, but also on your headlight, for example.

Free installation

The product is designed for quick and easy installation. Simply position the clamps and turn the knob! What is more, thanks to the included silicone gaskets you can easily attach the accessory to various types of holders. Compatible sizes include 8-16mm, as well as 22-35mm. Mounting the camera on the mount is also fabulously easy.

Create dream shots

The mount is 360° rotatable, giving you almost unlimited creative freedom and flexibility. Record from any angle and take even more original shots whenever you want. Now you can compose exactly the shot you want.

Durable and handy

The accessory is made of aluminum alloy and PE plastic. It is extremely durable and not susceptible to damage. This practical mount is resistant to wear and extremely durable. At the same time it is light and compact, so you can have it on hand whenever you need it. It weighs only 139 g, which means that it will not be an unnecessary burden.
