Cable Choetech IP0040 USB-C to Lightning PD18/30W 1,2m (white)

Choetech IP0040 USB-C to Lightning PD18/30W 1.2m cable (white)

Don't waste time waiting while you charge your devices or transfer files. Choose the Choetech IP0040 cable to do it at an express pace. Made of durable TPE material and equipped with USB-C and Lightning connectors, it ensures seamless compatibility and long life. It's compatible with USB 2.0, enabling data transfer speeds of up to 480 Mbps and charging at an impressive 18W/30W.

Safety first

Choetech cable is a guarantee of safety. With CE, FCC, RoHs and MFi certifications, it works with all devices with a Lightning port, eliminating any compatibility concerns and providing them with multi-level protection. Convenient cable length (1.2 m) is great for home or office, providing freedom of use.
