

Power Strip GaN LDNIO SE3436 65W white

Power Strip GaN LDNIO SE3436 65W white

Ref: 6933138601266

GaN LDNIO 65W white power strip

The power strip is perfect for everyday use at home. It has 3 EU plugs and 4 USB ports (x2 USB-C, x2 USB-A), so you can connect a range of devices, from smartphones to laptops to fans. The carefully considered design ensures safe use, and support for fast charging protocols will allow you to quickly renew your equipment's energy. In addition, a dedicated button allows you to turn on/off the SE3436.

Quickly charge your devices

Charge your equipment quickly and conveniently. The power strip offers 2 USB-C ports (65 W) and 2 USB-A 60 W ports, so you can connect several devices to it at once. What's more, it supports PD, PPS, QC3.0/QC4.0, etc. fast charging protocols, so use it to instantly renew the power of devices from brands like Samsung, Apple, Huawei, Xiaomi, OPPO and VOOC. What's more, LDNIO SE3436 distributes power to each device accordingly, so you don't have to worry about overcharging.

Thoughtful design

The power strip was made of fire-resistant material, so you can use it safely. It's also unafraid of falls. What's more, it has childproofing and overload protection. In addition, it is equipped with a robust cable with a length of 2 m. In turn, the use of high-quality copper translates into durability of the plug. In addition, the use of gallium nitride (GaN) made it possible to reduce the weight and dimensions of the product and ensure faster charging.
