

Power Strip GaN LDNIO SC3416 EU 65W white + EU plug

Power Strip GaN LDNIO SC3416 EU 65W white + EU plug

Ref: 6933138601259

GaN LDNIO 65W white EU plug power strip

The power strip is perfect for everyday use at home. It has 3 EU plugs and 4 USB ports (x2 USB-C, x2 USB-A), so you can connect a range of devices, from smartphones to laptops to fans. The carefully considered design ensures safe use, and support for fast charging protocols will allow you to quickly renew your equipment's energy. In addition, a dedicated button allows you to turn on/off the SC3416. The product comes in 3 variants: EU/US/UK (the kit includes the EU version).

Quickly charge your devices

Charge your equipment quickly and conveniently. The power strip offers 2 USB-C ports (65 W) and 2 USB-A 60 W ports, so you can connect several devices to it at once. What's more, it supports PD, PPS, QC3.0/QC4.0, etc. fast charging protocols, so use it to instantly renew the power of devices from brands like Samsung, Apple, Huawei, Xiaomi, OPPO and VOOC. What's more, LDNIO SC3416 distributes power to each device accordingly, so you don't have to worry about overcharging.

Thoughtful design

The power strip was created from fire-resistant material, so you can use it safely. It's also not intimidated by drop. What's more, it has child protection and overcharging protection. In addition, it is equipped with a robust cable with a length of 2 meters. In turn, the use of high-quality copper translates into durability of the plug. In addition, the use of gallium nitride (GaN) made it possible to reduce the

weight and dimensions of the product and ensure faster charging.

□Manufacturer

□LDNIO

□Model

□SC3416

□Color
