

Accessory Storage Pouch / Bag Mcdodo CB-1241, 10x19.5cm

Ref: 6921002612418

Accessory Storage Pouch / Bag Mcdodo CB-1241, 10x19.5cm

Etui / Mcdodo CB-1241 10x19.5cm accessory storage pouch.

Mcdodo CB-1241 is a durable, dust and splash resistant pouch with an automatic clip closure. The dimensions are 10 x 19.5cm. Made of polyurethane resin, the pouch for small accessories like bluetooth headphones and flash drives, offers a pleasant texture and elegant look.

Organize your space

Worried about your keys scratching your phone? Tired of tangled cables or small items lying loose in your bag? Mcdodo CB-1241 pouch is the perfect solution! The capacious pouch will fit your cable, keys, flash drives, headphones and other small but important items you carry with you.

Innovative closure

Thanks to the clip used, you don't have to worry about the wear and tear of the material within the pouch's outlet - the clip has been precisely matched to the dimensions of the opening and smoothly holds them together, resulting in an elegant and durable closure.

Pleasant and durable material

The Mcdodo CB-1241 pouch is made of polyurethane resin, which is a splash-resistant and easy-to-clean material, and features a

pleasant texture and minimalist design.
