

Toocki Charging Cable USB C-L, 1m, 36W (Black)

Toocki Charging Cable USB C-L, 1m, 36W (Black)

Ref: 6975600780543

Toocki USB-C to Lightning cable, 1m, 36W (black)

Toocki's 1m USB-C/Lightning cable provides up to 36W of power and features an easy-to-read display. It allows both charging and data transfer. It also stands out for its heat and bending resistance, and thanks to its smart chip, it is completely safe to use.

Fast charging

Enjoy impressive charging speeds. The Toocki cable supports PD fast charging, which can double the standard renewal capacity. It's ideal for those who value saving time and want to get back to using their devices quickly.

Data transmission

Data synchronization occurs at an impressive speed of up to 480 Mbps. From now on, you can freely transfer files while charging - and in just seconds!

Thoughtful solutions

With the display, you can monitor the charging rate in real time. In addition, the built-in chip intelligently regulates the current, protecting the battery.

Refined design

The use of a multiband galvanized copper core has reduced losses and ensured high efficiency, resulting in improved charging speed. The metallic connector features high durability, and the flexible TPE material is not susceptible to traces of use.

Manufacturer

Toocki

Model

TXCTL-XY08

Type

USB-C/Lightning

Material

Aluminum alloy + TPE

Color

black
