

Toocki 2x USB-C, GaN 35W charger (black)

Ref: 6975600789799

Toocki 2x USB-C, GaN 35W charger (black)

Toocki 2x USB-C, GaN 35W charger (black)

The Toocki charger is designed for fast and reliable charging. It features 2 USB-C ports, which allow you to charge 2 devices at the same time. In addition, the use of GaN technology has achieved greater energy efficiency and better thermal performance, and the easy-to-read display provides vital information on the device's operation.

Impressive performance

Thanks to the GaN chip, the Toocki charger achieves higher energy efficiency compared to traditional solutions. As a result, you can enjoy faster and more efficient charging of your devices. The maximum charging power of 35 watts enables express renewal of energy in PD-enabled equipment.

Compact design

What sets the Toocki charger apart is its compact and ergonomic design, which makes it extremely handy and great for traveling. Its versatile input voltage range (100-240V) means you can use it in different countries and regions.

Safety of use

The charger provides effective protection against overvoltage, overheating and other adverse phenomena. The easy-to-read display

allows you to track the progress of charging in real time, further enhancing safety.

Wide compatibility

The Toocki charger is equipped with 2 USB-C ports, so you can seamlessly renew the power of 2 devices at the same time. With its help you can successfully charge laptops from Apple, Huawei, Xiaomi, Lenovo brands, tablets and phones from Apple, Samsung, Huawei and Xiaomi, as well as headphones and Switch game consoles.
