Toocki Car Charger A+C, 95W (Black)

Ref: 6975600784251

Toocki Car Charger A+C, 95W (Black)

Stock up on a car charger that will allow you to quickly charge your devices while traveling. The Toocki brand product provides up to 95W of power and supports standards such as QC4 . As a result, you won't have to wait long for your equipment to be ready for use! The charger is also very durable and guarantees safe use. It is equipped with 2 ports (USB-A, USB-C), so you can connect 2 devices to it at the same time.

Fast charging

Both the USB-A port and USB-C port of the charger support fast charging. The USB-C port can additionally provide up to 65 watts of power and supports the 60WPD standard, while the USB-A port offers a maximum of 30W. The total output power of the product is up to 95 watts. All this will allow you to charge your device of choice, such as a smartphone, tablet or even a laptop, in no time.

Thoughtful design

The charger was created from high-quality aluminum alloy, so it is not only very durable, but also looks great. It is also distinguished by its compact size - it will not take up too much space in the car. What's more, the clever design means the device will stay firmly stuck in the cigarette lighter socket - even when driving on a bumpy road or braking sharply.

Compatibility and safety

It doesn't matter what kind of vehicle you drive most often - the Toocki charger will work in almost any situation. Thanks to its compatibility with 12-24 V, you will successfully use it in a car, jeep or truck. You also do not have to worry about safety - the product is effectively protected against overcurrent, short circuit, overvoltage, overload and overheating, among other things.
