

Toocki Car Charger A+C, 30W (Black)

Toocki Car Charger A+C, 30W (Black)

Ref: 6975600782547

Toocki USB USB-C car charger, 30W (black)

Get the ability to charge 2 devices simultaneously while on the go. The Toocki car charger features 30W of power, supports fast charging protocols and comes with 2 ports - USB-A and USB-C. It is compatible with a voltage range of 12 to 24 volts, and thanks to its compact design it does not take up valuable space in the car. In addition, the transparent design of the product gives it originality.

Instant energy restoration

Experience how quickly your devices can be ready to continue working. The Toocki car charger allows you to renew the energy of 2 devices at the same time. The USB-A port supports QC4.0, QC3.0, SCP, FCP and AFC fast charging protocols, while the USB-C port supports PD3.0, OD2.0, QC4.0, QC3.0, PPS, SCP, FCP, AFC and FSC2.0, all of which translates into lightning-fast energy renewal - and with up to 30 watts of power.

Thoughtful design

Thanks to its compact design, the charger fits perfectly into the car interior and does not take up valuable space. Anti-slip springs located on both sides of the device guarantee a secure and reliable connection, regardless of the conditions on the road. This way you can be sure that your equipment is fully powered.

Safe use

The smart chip ensures safe charging of your devices while driving, eliminating the risk of surges or other unwanted events. This allows you to renew your equipment's power without worry.
