

Toocki Charger 2C+A+AC, 1.5m, GaN 67W (Black)

Toocki Charger 2C+A+AC, 1.5m, GaN 67W (Black)

Ref: 6976018374317

Toocki Charger 2C+A+AC, 1.5m, GaN 67W (Black)

Now you can conveniently charge and power up to 4 devices simultaneously. The Toocki charger offers an AC socket, a USB-A port, and 2 USB-C ports, providing impressive performance. It also stands out for its wide compatibility. The product ensures safe usage and, thanks to GaN technology, combines impressive capabilities with a compact size (48 x 116 x 40 mm). It also comes with a long 1.5-meter cable.

Connect up to 4 devices simultaneously

You no longer need to use additional chargers and adapters to power a larger number of devices. The Toocki product offers 2 USB-C ports, a USB-A port, and an AC socket with a power capacity of up to 2500W. This allows you to easily connect a computer, projector, humidifier, or other equipment without any hassle. The charger is also compatible with laptops, smartphones, and tablets from well-known brands.

Fast Charging

Both USB-C ports of the charger can deliver a power output of up to 67W, so you don't have to wait too long for your devices to be ready for use again. Now you can quickly charge your phone, tablet, or even your laptop in the blink of an eye! The advanced GaN technology ensures efficient operation while keeping the charger's size compact. Despite its impressive capabilities, the charger doesn't take up too much space!

Safety First

The charger is equipped with effective protection against overvoltage, short-circuiting, overcurrent, overload, and high-temperature operation. This ensures reliable operation in almost any situation! You also don't have to worry about your connected devices, as the product intelligently distributes electrical power to protect them from overcharging.
