

Toocki Docking Station Type-C 7in1 (Grey)

Toocki Docking Station Type-C 7in1 (Grey)

Ref: 6976018373129

Toocki Type-C Docking Station, 7-in-1 (gray)

If you're looking for a solution to make the management of your devices not only efficient but also versatile, the Toocki docking station is what you need. It is not only a practical tool for charging and port expansion, but also an advanced center for multimedia and data management. With its diverse features and technologies, Toocki is ideal for those who want reliability and high quality in every aspect of their work or entertainment.

With multiple scenarios in mind

The Toocki docking station is a tool designed with versatility and efficiency in mind. Equipped with several USB ports, it allows easy and mass connection of a variety of devices - from mice and keyboards to phones and portable memory drives. This allows users to enjoy a higher level of convenience for work or entertainment. In addition, the station supports high-speed reading of SD or TF cards, making it significantly easier to access photos, music or other audio files. Toocki is the ideal solution for those who need a reliable and flexible management center for their devices.

Not just fast charging

The Toocki docking station offers much more than just fast charging. The USB-C port with PD100W charging provides instant power to your devices - but that's just the beginning. The HDMI input enables 4K@30Hz video, making both work and entertainment a pleasure.

Toocki is a complete, multifunctional solution for the most demanding users.
