

## Toocki Charging Cable C-C, 1m, 140W (Black)

Toocki Charging Cable C-C, 1m, 140W (Black)

Ref: 6975600782318

Toocki USB-C to USB-C cable, 1m, 140W (black)

If you're looking for a cable that combines both speed and durability, the Toocki cable is for you. Developed with the most demanding users in mind, it not only offers high charging and data transfer speeds, but also a durable and long-lasting design. See how Toocki can revolutionize the way you use your electronic devices.

### Speed and efficiency

The Toocki cable is all about efficiency and saving time. Supporting advanced fast charging protocols such as PD3.1 and PD100W/PD65W, the cable is able to charge your devices in no time. A built-in smart chip controls the charging process, guaranteeing not only speed, but also safety for your equipment. And with data transfer speeds of 480 Mbps, file transfers are just as efficient. When you choose the Toocki cable, you not only get speed, but also efficiency.

### Thoughtful construction

Toocki is made of the best quality materials, which guarantees its resilience and durability for everyday use. Offering a length of 1 meter, the cable simultaneously provides flexibility and comfort, allowing you to freely connect devices in different configurations. By investing in a Toocki cable, you are choosing durability and quality that will meet your expectations.
