

Toocki Charging Cable C-C, 1m, 100W (Grey)

Toocki Charging Cable C-C, 1m, 100W (Grey)

Ref: 6975600789652

Toocki USB-C to USB-C cable, 1m, 100W (gray)

If you're looking for a cable that's as versatile as it is reliable, Toocki is exactly what you need. Not only does it offer fast charging and data transmission, but it also guarantees complete safety for your devices. Created with the highest quality materials, Toocki combines durability with broad compatibility. It's an investment that will bring you peace of mind and efficiency in your daily use.

Fast charging and data transmission

The Toocki cable provides an unparalleled charging and data transmission experience. With the ability to charge with up to 100 watts of power, your laptop is able to recover 100% in just 2 hours. But that's not all - data transmission is also impressive, reaching speeds of up to 480 Mbps. When you choose the Toocki cable, you get speed and efficiency at the highest level.

Guaranteed security

Toocki relies on advanced solutions to guarantee the security of your devices. Equipped with an intelligent E-Marker chip, it automatically identifies the voltage and current, adjusting them to the devices being charged. In addition, a smart digital display keeps you informed of the current charging power. With these features, you can rest assured that your devices are in good hands.

Thoughtful design

The Toocki cable is synonymous with strength and durability, made from the highest quality materials. Its robust construction guarantees greater durability and strength, even with frequent use. What's more, the cable features wide compatibility, making it ideal for a variety of devices - from laptops and tablets, to phones and gaming consoles. By choosing Toocki, you are investing in a product that has been created with your needs in mind.
