

Toocki Charging Cable A-C, 1m, 66W (Grey)

Toocki Charging Cable A-C, 1m, 66W (Grey)

Ref: 6975600789478

Toocki USB to USB-C cable, 1m, 66W (gray)

If you're looking for a cable that is synonymous with both speed and reliability, Toocki is made with you in mind. Designed to meet your most demanding needs, it not only offers lightning-fast charging and data transmission, but also guarantees safety and wide compatibility. Discover how Toocki can make your life easier and your day more efficient.

Speed and efficiency

Toocki is a cable that definitely does not lag behind. With 66 watts of power and support for fast charging, your devices will be charged at an express pace. The built-in display allows you to monitor the current power in real time, giving you full control over the charging process. What's more, with a data transfer speed of 480 Mbps, file transfers are done in a flash. When you choose the Toocki cable, you are investing in a product that will meet your needs for both speed and performance.

Thoughtful design

The Toocki cable has been designed with the utmost care. The built-in smart chip guarantees safe charging, ensuring optimal performance and protecting your devices. The cable's high-quality core ensures stability and reliability, even in the most demanding conditions. In addition, the cable's wide compatibility allows it to work with popular brands of phones, as well as with powerbanks and other devices. By choosing Toocki, you are investing in a product that combines intelligence and reliability.
