Toocki Charging Cable USB C-C, 1m, PD 100W (Black)

The Toocki USB-C to USB-C cable will allow you to exceptionally fast charge your devices. It supports the PD standard, providing power up to 100W and a current of up to 5A. It also stands out with a digital display and a durable construction. With it, you can also transfer files at speeds of up to 480 Mbps.

Rapid Charging

With the Toocki cable, you can quickly charge your devices in the blink of an eye. The product supports fast PD charging at 100W and provides a current of up to 5A. This means you don't have to wait too long for your device to be ready to use! You can also check real-time charging power at any time, thanks to the built-in display. Furthermore, a special chip automatically adjusts current parameters to protect the connected device's battery from damage.

Fast File Transfer

This cable not only allows you to quickly charge your phone but also enables file transfer between devices. It offers a transmission speed of up to 480 Mbps, allowing you to quickly copy all the necessary videos, documents, photos, or music tracks. With Toocki, you'll save time!

Excellence in Every Detail

Reliable and stable transmission is ensured by the reinforced copper-coated wire. The cable is also equipped with a sturdy connector made of zinc alloy. Furthermore, a high-quality braid protects it from damage and increases its resistance to bending or pulling.
