Toocki Charging Cable USB C-L, 1m, PD 27W (Black)

Ref: 6975600784688

Toocki Charging Cable USB C-L, 1m, PD 27W (Black)

Experience fast charging for your iPhone or iPad. Toocki's USB-C to Lightning cable provides a power of up to 27W, and you can check the power value anytime using the built-in display. The product also allows for quick file transfer, offering a transmission speed of up to 480 Mbps. It is highly durable and ensures safe usage.

Fast Charging

The cable supports fast PD 27W charging, allowing you to quickly charge your iPhone or iPad. With Toocki, you'll save time! The product also features a built-in display that provides real-time charging power information. Just take a glance!

Rapid File Transfer

With this cable, you can not only charge your phone rapidly but also transfer files between devices in an instant. A transmission speed of up to 480 Mbps means you won't have to wait long for your photos or videos to reach their destination.

Detail-Oriented Design

The cable's zinc alloy connector boasts high durability, and the reinforced tinned copper wire ensures stable and reliable transmission. Additionally, the wear-resistant braided sleeve protects the product from various types of damage. Moreover, the built-in chip provides

protection against overcurrent, overvoltage, and overcharging, among other things.
