Ref: 6976340770023

USB-A to Lightning Cable Ricomm RLS007ALW 2.1m

Ricomm RLS007ALW USB-A to Lightning Cable 2.1m

Equip yourself with a cable that will serve you reliably for a long time. The RLS007ALW from Ricomm is equipped with USB-A/Lightning connectors, making it widely compatible. It stands out for its resistance to bending, and its length is 2.1m.

Fast charging

No longer do you have to wait a long time for your equipment to be charged and ready for further use. The Ricomm cable allows you to renew the energy of your compatible device up to 50% in just 25 minutes (if you use a 20W charger).

Wide compatibility

The Ricomm cable offers USB-A and Lightning connectors, making it extremely compatible. You will successfully connect it to iPhones, iPads and iPods. In addition, you can use it with wall chargers, car chargers and portable power sources that feature a USB-A port.

Refined design

Endurance tests have proven that the Ricomm cable is resistant to bending. So you can be sure that it will serve you for a long time. In addition, it is pleasant to the touch and is not prone to tangling.
