USB-C to Lightning Cable Ricomm RLS007CLW 2.1m

Ref: 6976340770061

Ricomm RLS007CLW USB-C to Lightning Cable 2.1m

Equip yourself with a cable that will serve you reliably for a long time. Ricomm's RLS007CLW is equipped with USB-C/Lightning connectors, making it widely compatible. It stands out for its resistance to bending, and its length is 2.1m.

Fast charging

No longer do you have to wait a long time for your equipment to be charged and ready to continue working. The Ricomm cable allows you to renew the energy of your compatible device up to 50% in just 25 minutes (if you use a 20W charger).

Wide compatibility

The Ricomm cable offers USB-C and Lightning connectors, making it extremely compatible. You can successfully connect it to iPhones, iPads and iPods. In addition, you can use it with wall chargers, car chargers and portable power sources that feature a USB-C port.

Refined design

Endurance tests have proven that the Ricomm cable is resistant to bending. So you can be sure that it will serve you for a long time. In addition, it is pleasant to the touch and is not prone to tangling.
