Ricomm RLS307CCW 2.1m USB-C to USB-C cable

Equip yourself with a cable that will serve you reliably for a long time. Ricomm's RLS307CCW is equipped with USB-C/USB-C connectors, making it widely compatible. It is also distinguished by its resistance to bending, and the cable length is 2.1 meters.

Fast charging

No longer do you have to wait a long time for your device to be charged and ready for further use. The Ricomm cable can renew your 16" MacBook Pro's power up to 38% in just 30 minutes (if you use a 100W charger).

Wide compatibility

The Ricomm cable offers USB-C and USB-C connectors, making it extremely compatible. You will successfully connect it to devices from manufacturers such as Samsung, Google, Apple, Dell, Lenovo and Microsoft. In addition, you can use it with mains chargers, car chargers and portable power sources that feature a USB-C port.

Refined design

Endurance tests have proven that the Ricomm cable is resistant to bending. So you can be sure that it will serve you for a long time. In addition, it is pleasant to the touch and is not prone to tangling.
